Re: ABB Inc.'s Complaint; Demand for Arbitration

Dear Sirs:

I am in receipt of a Complaint filed by ABB Inc. in the United States District Court for the Eastern District of Michigan, Case No. 5:10-cv-12626. My client, RoboticVISIONTech, LLC hereby demands arbitration under the ICC Rules in accordance with Paragraph 23.2 of the Exclusive Global Channel Partner Agreement for the Licensing of Braintech's Vision Guided Robotics Technologies. I understand from speaking to Mr. Stoops that ABB is not amenable to arbitration. Accordingly, we are filing a Motion to Compel Arbitration with the Court seeking dismissal of your case.

Sincerely,

A handwritten signature in dark ink, appearing to read "Geoffrey J. Greeves".
